

Best Cases For Fire 7/ Fire HD 8/10 Tablet

There have been seven generations of Kindle Fire tablets, spread across three different models: Fire, Fire HD and Fire HDX. There have also been different-sized tablets within the Fire HD and Fire HDX models. The Fire HDX is the high-end model in Amazon's Kindle Fire line of tablet computers. Amazon devices are always popular when it comes to reading experience. And its tablet collection also give you wonderful reading experience and internet surfing experience. Most importantly, their tablet are really cheap comparing android tablets and iPad. So it's very necessary for me to select some high-quality and affordable cases for your Fire 7, Fire HD 8/10 tablet. Although there are many cases out there, nothing can beat the high-quality and affordable cases that I recommend for you.

3. Cases for Fire HD 8 (7th generation, 2017 release)

All-New Fire HD 8 Tablet (2017 release) is Amazon's best-reviewed Fire tablet, with up to 12 hours of battery life, a vibrant 8" HD display, a 1.3 GHz quad-core processor, 1.5 GB of RAM, and Dolby Audio. More durable than the latest iPad.

1. This smart lightweight stand flip case with auto wake / sleep function is compatible with both Fire HD 8 (7th generation, 2017 release) and Fire HD 8 (6th generation, 2016 release). It's made of premium PU leather, hard PC cover and inner soft fibre. It uses a very common design with uncommon quality. It's very slim fitting, perfect placement of openings and feels good to hold. The tablet slips right in and is secured by the inward lip of the case. While the case holds it securely, it is not so tight that you have trouble removing the tablet and it's very simple for those users who have difficulty making the stand work to use. [Want to buy.](#)

2. This smart folding stand cover for All-New Amazon Fire HD 8 Tablet (7th Generation, 2017 Release Only) works as good as Amazon's cover.

Especially the hand strap, making watching a movie or reading SO much easier. It also has auto wake/sleep function, premium PU leather exterior and microfiber interior as well as built-in flip stand. [Want to buy.](#)

4. Cases for Fire HD 8 (6th generation, 2016 release)

Fintie smart folio case for Fire HD (6th Generation, 2016 release) offers secure protection for your tablet while adding a range of versatile options. A smart holder is designed to hold your stylus pen, while a soft inner liner and protective corners help safeguard the tablet against scratches and damage. It's fairly thick without being bulky and it provides all the proper openings in the correct place. The Fintie folio classic leather case comes in a variety of

bright, fun colors, the widest selections to suite your taste. It offers an ideal way to protect your tablet wherever you go. [Want to buy.](#)

5. Cases for Fire HD 8 (5th generation, 2015 release)

If you're looking for an inexpensive case for your tablet that provides good value for the money, I think it would be hard to beat this case. Fintie Folio Case for Fire HD 8 (2015 Model 5th Gen Only) - slim fit premium vegan leather standing cover with Auto On/Off. The case has a nice texture to it making it easier to grasp. It has a lot of bright color and beautiful patterns to choose from. I am impressed with the quality of the product, especially for the price. [Want to buy.](#)

6. Cases for Fire HD 10 (5th generation, 2015 release)

Fire HD 10 Tablet (2015 release) --Amazon's largest display on their thinnest tablet yet. Available in black, white, and introducing silver aluminum.

1. Fintie slim fit leather standing protective cover folio case with auto wake / sleep function for Fire HD 10 (5th Generation - 2015 release) is a super beautiful, high-quality and inexpensive product which is available in a variety of bright and fun colors. Built from durable PU (synthetic) leather with soft Microfiber interior to prevent scratches. Cover contains flip capability to transform the case into a horizontal viewing stand. Interior pocket opens for easy insertion of your device and includes hook and loop fastener flap to secure it in place. This is an excellent case for a very reasonable price. [Want to buy.](#)

2. MoKo smart slim folding case for Fire HD 10(2015 Release Only) is also another good quality product for your tablet. It's lightweight and protective which has the premium PU leather exterior and microfiber interior. Built in flip

stand allows you watch movie or type conveniently. Interior hand strap is for comfortable one-handed use. With magnetic closure and elastic band to keep front cover open. I like the lightweight feel and the elastic closure, along with the auto sleep/wake function. The stitching and manufacture is very good. The fit is also very good. A great buy. [Want to buy.](#)

Conlusion

All the cases above are high-quality for a very reasonable price. You don't have to worry about not having adequate protection for your new tablet any more with these cases. And I am highly recommend these cases to anyone who is looking for good quality and good price.
