

Best Free Spanish to English Dictionary for Kindle Download

Posted by [Jonny Greenwood](#) on 11/12/2013 2:25:08 AM.

Recently I was starting to learn Spanish myself, my favorite way to learn a foreign language is to find book written in simple sentences for reading. With a Kindle, it becomes even graceful, the built-in dictionary saves me lots of time and space.

Amazon doesn't provide me a built-in Spanish-English dictionary, and I only found 2 available Spanish-English dictionaries in Kindle Store, but the ratings are below average. I do not want to waste money on a useless dictionary, so I begin to dig my Kindle resource.

In my Kindle library, I saw a book called *Real Academia Española el Diccionario de la lengua española*, this is a spanish dictionary, isn't it? But what the heck Amazon doesn't allow me to download it. I click the "actions" button but can't see the "Deliver to..." option, and login my Kindle for PC I also can't see it in my "Archived Items" section.

Obviously I have to find a way out myself. After some searches on the internet, I finally got a free and working Spanish to English dictionary for Kindle, it is built by [Dave Slusher](#), he DIYed this Kindle dictionary himself by RUBY scripts.

But here comes another setback, the dictionary is created in 2010 and for Kindle 2, which only uses one dictionary at a time. Therefore I can't use it because I need dictionaries for other languages also.

Then I find [Mac Sturm](#) modified the dictionary to make it working on K4 and later models, and click the button below you can download it. Notice: You can download and use for totally free and legit under Creative Commons license: BY-NC-SA.

Free Spanish to English Dictionary for Kindle Download

And I guess some people may also need the English to Spanish dictionary, I've also find a free one for you.

Download Free English to Spanish Kindle Dictionary
