[Part2: Convert Nook DRM PDF to EPUB](#)

[Part3: Convert iBooks DRM PDF to EPUB](#)

Convert Adobe DRM PDF to EPUB

Books we purchased from many main online eBook stores, such as Google play, Sony, Kobo and Nook are usually protected by Adobe DRM. In this part, I

will tell you the detailed information about converting Adobe DRM PDF to EPUB.

Step1: Remove Adobe DRM from PDF books

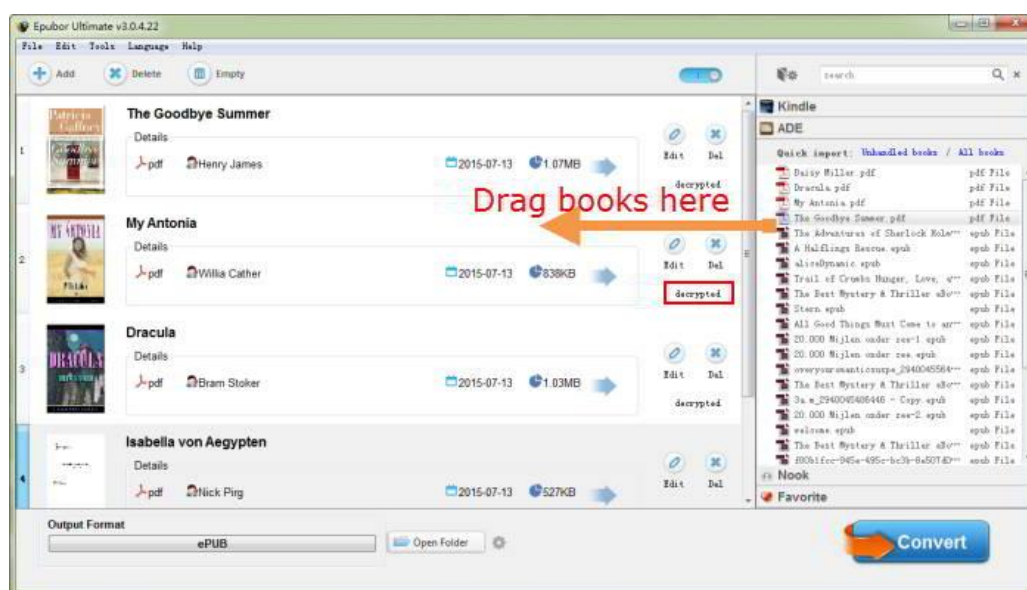

Before removing DRM-protected PDF books, you need to download and install [Adobe Digital Editions](#) on your computer first. Then authorize your ADE with Adobe ID, and make sure you can open and read your PDF books on ADE. For detailed information, please go through [this article](#) to learn how to read eBooks on ADE.

After guaranteeing you can read PDF books on ADE, now it's time for you to remove Adobe DRM. Here I highly recommend you a powerful tool [Ultimate Converter](#) which can not only remove DRM but also convert PDF books to EPUB.

Install and launch the software, it will automatically upload your existing books. Once you drag your PDF books under "ADE" to the main window of the program, the Adobe DRM will be removed soon. You can see it displays "decrypted" state.

Step2: Convert free PDF books to EPUB

After removing Adobe DRM, now you can convert DRM-free PDF books to EPUB. As EPUB is the default output format, what you need to do is only to hit "Convert" button to convert PDF to EPUB. When the conversion has been finished, the "Succeed" status will show up.

When PDF books have been converted to EPUB, the folder which saves converted PDF books will show up automatically. You can also hit "Open Folder" to find your books.

Convert Nook DRM PDF to EPUB

Usually Nook books have 2 kinds of DRM: Adobe DRM and Nook DRM. For removing DRM, there is little difference between Adobe DRM and Nook DRM. Next, I will introduce how to convert Nook DRM PDF to EPUB.

Step1: Remove Nook DRM from PDF books

Before removing Nook DRM, make sure you can read your protected PDF books on Nook Study. If you don't install it, you can download and install it now.
