

## How to Download Audible Escape Audiobooks to Computer

In June 2019, Audible renamed **Audible Romance Package** as a more neutral name--**Audible Escape**. It's a real unlimited audiobooks subscription which allows you to get access to over 18,000 romance audiobooks with unlimited listening.

### About Audible Escape Subscription:

1. You can borrow up to 10 audiobooks at a time. However, you can listen to those 10 in a day and return them whenever you like to exchange for another 10. It's totally hassle-free.
2. First month free for new Audible Escape subscribers. After one month, it costs \$12.95 per month. If you are a Kindle Unlimited or Audible member, it costs only **\$6.95 per month**.
3. You can cancel the subscription anytime with no commitments.

To listen to Audible Escape audiobooks, you can simply use the Audible Cloud Player in the browser. However, you will find it'll be very inconvenient and you may wonder how to get the Audible Escape books downloaded to your Windows/Mac computer. Don't worry, you'll get the answer you want in this post.

- [On Windows 8/10 computer, directly use Audible app to download Audible Escape audiobooks.](#)
- [On Mac/Windows 7, download Audible Escape audiobooks to the phone first, and then transfer.](#)

# Preparation: Add Audible Escape Audiobooks to Library

**Step 1.** Go the home page of [Audible Escape](#) and sign in with your Amazon account.

**Step 2.** Browse or search for an audiobook you want to listen to.

**Step 3.** Tap **Add to Library for \$0.00**.

# How to Download Audible Escape to Windows 8/10

After you've added the audiobooks to your [Audible library](#), you'll find that you cannot download Audible Escape books from the site since there is not a "Download" option for such books like other Audible books.

Title	Author	Length	Date Added ↓	Rate and Review	Other Actions
 <b>The Bride Te</b>					<b>Audible Escape</b> Remove <u>Audible Escape</u>
<p>This title was added to the library through Audible Escape. <u>These titles can be downloaded to your mobile device through the Audible app.</u></p>					
 <b>Emma Thompson: Audible Sessions: FREE Exclusive Interview</b>	<b>Robin Morgan-Bentley</b>	14m	06-18-19	<b>Audible book</b> Overall ☆☆☆☆ Performance ☆☆☆☆ Story ☆☆☆☆ <a href="#">Write a review</a>	Download
9h 59m left					
14m left					

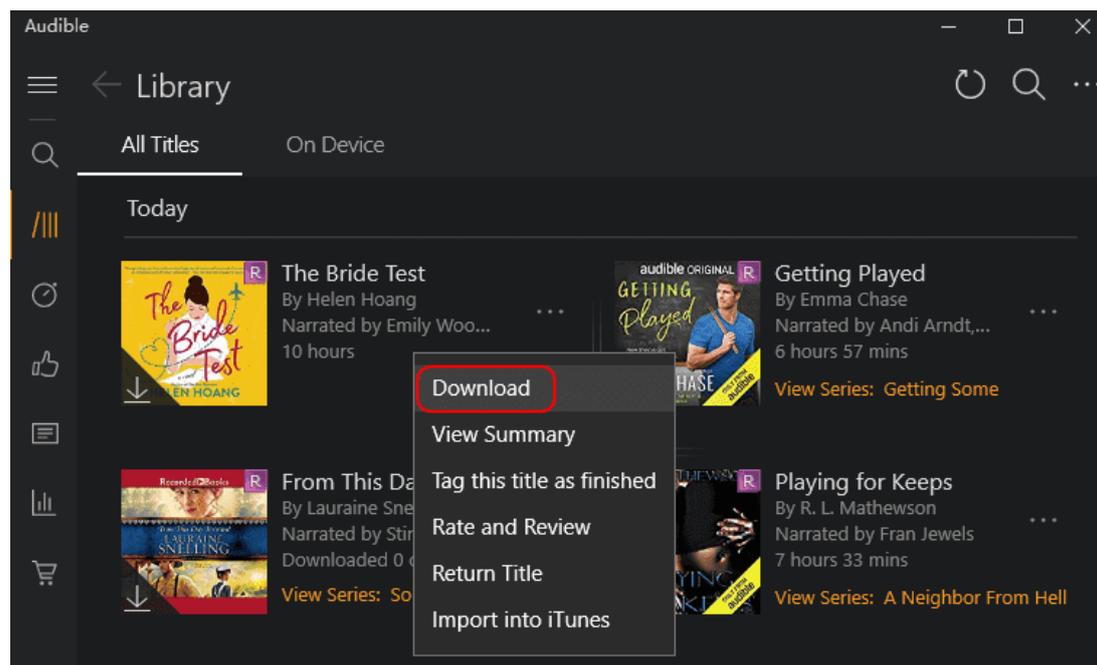

But despite all that, you can still download such titles to your PC through the Audible app.

**Note:** Since the Audible app now is not accessible to Mac OS or Windows 7, there is no direct way to download Audible Escape audiobooks to Mac/Windows 7. **So here the following guide is effective for only Android/iOS users and Windows 10/8 users.** [Skip to how to download Audible Escape audiobooks to Mac/Windows 7.](#)

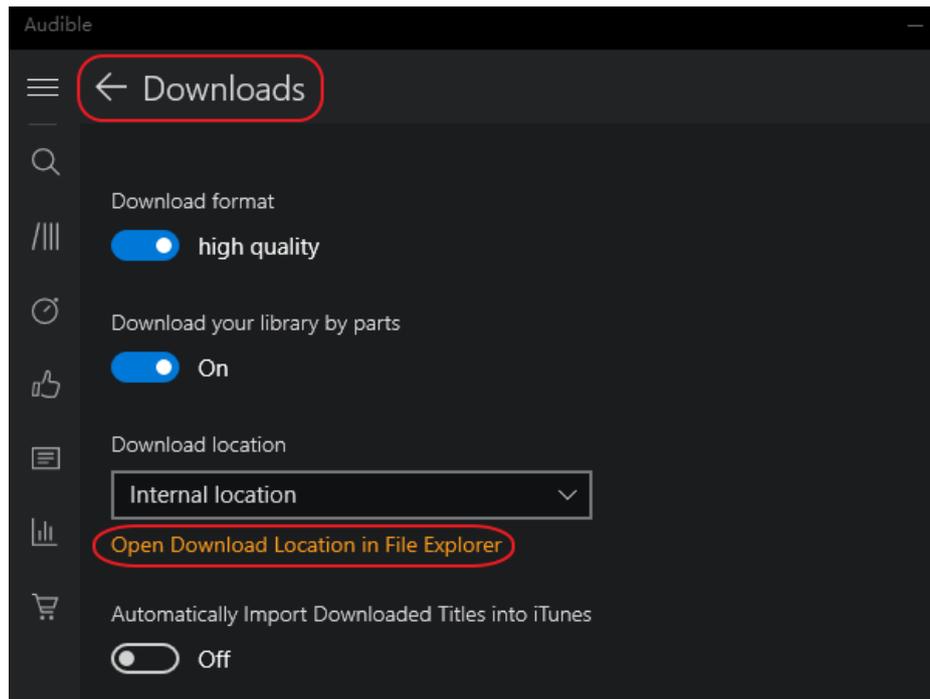

**Step 1.** Download the Audible app for Windows on Microsoft Store.

[Get the Audible App Here](#)

**Step 2.** Run the Audible app and sign in with your account. From the library, you can see all the Audible Escape books you've added. Just right-click on the book and choose "Download" to download the Audible Escape audiobooks.

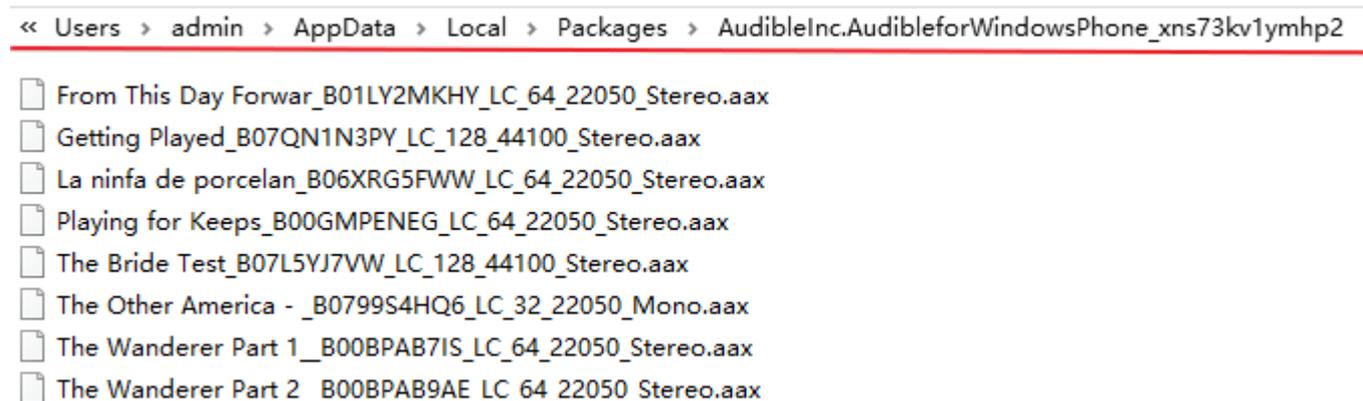

**Step 3.** When the Audible Escape audiobooks have been downloaded, go to settings--> Downloads-->click "Open Download location in File Explorer" to locate the downloaded Audible Escape books.

By default, the downloaded audiobooks will be saved here in AAX format:

***C:\Users\username\AppData\Local\Packages\AudibleInc.AudibleforWindowsPhone\_xns73kv1ymhp2\LocalState\Content***

## How to Download Audible Escape to Mac/Windows 7

As I have mentioned before, there is no way for us to download Audible Escape audiobooks from the site directly or install the Audible app on Mac/Windows 7 computer. However, we can still achieve this goal indirectly by downloading the audiobooks to the smart phone first and then transferring the files to Mac/Windows 7.

## 1 First, download Audible Escape Audiobooks to the Phone

**Step 1.** Open the Audible app on your phone and sign in with your Amazon account.

**Step 2.** Tap **My Library** in the top left corner and then tap **Cloud**.

**Step 3.** On the Cloud tab, you could see all the Audible Escape audiobooks you've already added to your library. Tap the **Download icon** to download Audible Escape audiobooks to your mobile device.

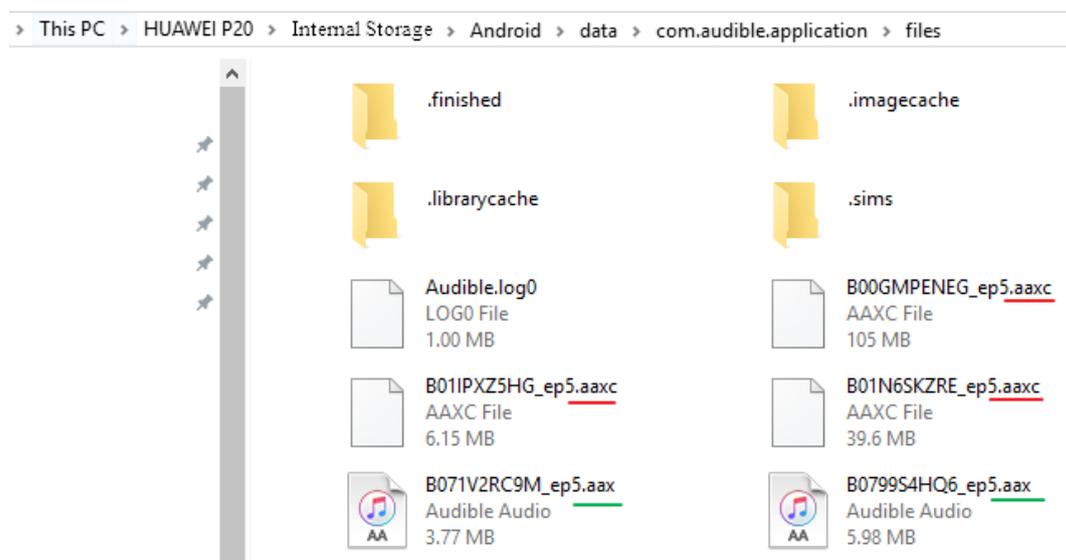

## 2 Then, transfer Audible Escape Audiobooks to Mac/Windows 7

**Step 1.** Connect your mobile phone to your Mac/Window 7 computer with USB cable.

**Step 2.** Find the location where your audiobooks are stored on the phone. Usually they are stored here:

*This PC\Your Android device name\Internal storage\Android\data\com.audible.application\files.*

If you have upgrade your Audible app to the latest released version, the Audible audiobooks will be saved in AAXC format. But if you still keep the older version for Audible app, the files will be saved in AAX/AA format.

**Step 3.** Then simply drag and drop these audiobooks to the folders on your Mac/Windows 7.

Now you've got all the downloaded Audible Escape audiobooks on your Windows/Mac computer. The left work you should do is to choose [an Audible Player on PC/Mac](#) to listen to your Audible Escape audiobooks.

### **Bonus Tips:**

[Epubor Audible Converter](#) is a powerful tool that can remove Audible DRM and convert Audible AAX to MP3 with 100% original quality preserved. If you want to listen to your Audible books on any device as you like or share some of them with your friends, you should never miss this tool. Just download it for free to give it a try.
