

## How to share kindle fire books with friends

If you haven't heard about the Amazon Kindle fire, you perhaps do not keep the pace of the times. It's one of the best ereader .

When you purchased a nice eBook in Amazon Store, you are hooked immediately by this book and want to share it with your family or your best friends after you finish reading it without a break.

Oops, problem here. You can not share it with your family or friends! Because the book has DRM protection, they can only read on your Kindle. You must [use a Kindle DRM Removal to break the limitation](#).

Relax, here we introduce you **3 methods to share Kindle books**.

- [Remove Kindle books' DRM;](#)
- [Share Kindle books in the same account;](#)
- [Share Kindle books by lending out.](#)

### Method 1: Share books on kindle fire by removing Kindle DRM:

Download and install Kindle DRM Removal, it **helps you remove DRM from Kindle books**, then you can copy your books to anywhere.

Now you can get ebooks that free of DRM. Then just [convert mobi format to ePub](#), and transfer them to other ereaders via USB or other ways you'd like.

**Tips:** AZW DRM kindle ebooks can be auto saved as mobi when it is unDRMed.

## Method 2: Share Kindle Fire ebooks with the same account

Before you choose this method, please make sure the people you want to share the book with is very close to you.

As we know, an Amazon account can be authorized on 6 Kindle device, this is the base of this method.

- 1, Your friend should de-register his Kindle.
- 2, Tell your Kindle ID & Password to your friend.
- 3, Your friend register his/her Kindle with your ID
- 4, Your books will show up on your friend's cloud, he/she can sync the books now.

Attention: **Turn off the Whispersync Device Synchronization** if you are sharing Kindle books on different device with a same account. Because it will automatically sync your last page read. Synchronization will also keep track of any bookmarks, highlights, or notes that you added, so you can view them on another device.

How to turn off?

"amazon.com" --- "My Account" --- "Manage your Kindle"

### Device Synchronization (Whispersync Settings)

With device synchronization on, your Kindle and Kindle Reading Apps will always sync your last page read so you can view them on another device.

#### Whispersync Device Synchronization

ON for

Click "Turn Off" in the right side. Everything is done!

## Method 3: Share Kindle Fire ebooks with friends by lending out.

**1.** Check that if the book is able to be lent out. Publishers decide whether books can be loaned, so not all books will be available. Look under the product details of the book on your Kindle device. If the book can be loaned out, it will say "**Lending: Enabled**".
